Mini Mobile Maker Station MiMMS

MiMMS is a fully customizable locking mobile maker station on wheels. Give your tinkers, makers, innovators and guests an amazing introduction to the power of design based thinking. We’ve covered all the bases so you can focus on the important stuff.

Base MiMMS $3895 + shipping
MiMMS-Base-16

**MOBILITY**
Wheel your MiMMS to class down the hallway or in another building. Sturdy casters roll with your schedule. MiMMS can even be moved in a van!

**CREATIVITY**
Customize MiMMS to create just the right Mini Mobile Maker experience for your audience & situation. We’ve curated kits & books for all ages.

**SECURITY**
Open just the MiMMS cabinets you need for any given project! The others stay locked to protect materials.

**SAFETY**
MiMMS is designed for safe storage even in a public hallway. Cabinets, drawers and wheels lock. Pocket doors keep little hands safe.

FULL SIZE Mobile Design Center

SUPPORTING
Tinkers, Makers, Innovators,
Artists & Entrepreneurs
of all ages

Don’t just make. Make with a purpose.©

Introduce design process from concept to marketplace with stand-alone projects. Deliver an innovation space to community, parents, K-12 students, and homeschoolers.

Mobile Design Centers

3D Printing Station with curriculum projects, team challenges, unmanned station activities, and a library of innovation topics.

The mobile maker and 3D design space has a step for small tinkers and tools for the makers. When you need the space, close and lock the doors. Roll the station to its next location.

Full size Mobile Design Center (just the furniture) ISD-0-16 $6585
